UBER	BUS SERVICE
Causes traffic and congestion in the school drop-off and pick up area.	<p><b>Reduction in Traffic.</b></p> <p>More children on the bus means fewer cars on the road. This means less traffic, less emission and safer roads around the school at drop-off and pick up. Dedicated Bus drop off and pick with dedicated road way and entrance helps reduced congestion.</p>
Different driver in every trip. Driver can do a detour as he decides on which route to take. No Police checks from home country or Qatar for child safety.	<p><b>Peace of Mind for Parents</b></p> <p>Drivers and Monitors all are Police checked. All drivers and monitors are trained to the highest international Safeguarding and Child Protection levels from the school Safeguarding Lead. The bus transportation has an assigned Female bus monitor and a driver that will be the same person to carry the students the whole term. This will give the parents peace of mind knowing that the students are under the proper care of the trusted people. Bus monitors also sent an alert to the parents that the student has reached the school safely and the students are leaving the school to be sent home.</p>
Hassle in booking for every single trip. Driver can cancel the trip even without informing the passenger. Waiting time is not certain as the driver can stop by anytime while on the road to pick up the passenger.	<p><b>Parents Can Manage their Time</b></p> <p>When the children use school transport, their parents don't have to juggle between the household chores, office, and driving their kids to school. This time management is beneficial for parents to balance their life and work. It also saves their daily commuting time. Student has a fixed schedule on the pickup time and the bus monitors are sending alert to the parents when they are on their way to pick up the student.</p> <p>Also, riding the school bus teaches time management. When utilizing school transportation, students need to be able to follow a schedule. For this reason, the school bus provides them with the opportunity to learn the importance of time management. It teaches them how to develop their routines and the self-discipline they need to stick to them.</p>
Fare can increase depending on the traffic or route that the driver takes.	<p><b>Bus Transport charges is fix and this is already covering the whole term.</b></p>

Travel time in each ride is not fix as factors such as traffic, driver waiting time, driver searching for location and time consumed while preparing payment for the trip and the congestion in the pickup and drop of area.	<p><b>Timely Commencing of Classes</b></p> <p>With every student reaching school on time, teachers can start their courses on time. It is beneficial for the student and teachers as they become more productive.</p>
Student safety is not guaranteed. They can freely open the windows and instance that doors may not be properly locked.	<p><b>Equipped with Safety Features</b></p> <p>In addition to the other security factors, bus transport is equipped with different safety features inside the bus. The high-quality secured lock prevents students from opening it anytime while the bus is in transit. Also, school buses are equipped with a closed window, so that students don't take their arms out.</p> <p><b>The School Bus Is The Safest Vehicle On The Road</b></p> <p>School bus drivers are trained professionals who will devote themselves to your child's safety. It takes extensive training, licensing, and testing to become a school bus driver. Bus monitors and drivers also underwent Safe Guard Training as required and conducted by the school. That means you can rest assured that students will be safe and sound.</p>
Driver is a complete stranger to parents and students.	<p><b>Bonds and a sense of belonging are created on the school bus.</b></p> <p>There is opportunity to gain new friends on the school bus. Students can get to know each other and feel part of a community. It is an excellent way to bring students together and foster school spirit and solidarity. It also provides a safe environment for children to get to know each other and form stronger friendships.</p>
